Pic in the Round:
When Peter restored Dorcas' life, the church rejoiced. But there are some funny things in this picture. Draw a circle around the objects that do not belong to Jesus' time. Can you find all twelve objects? Read the story in Acts 9:36-43.

adapted from a puzzle in *The Big Book of Bible Puzzles* written by Colleen Kennelly and illustrated by Roger Mejia; published by Gospel Light (Ventura CA, 2000) page 79

Gift for a Giver. Dorcas made many things for people. When she died, people missed her and asked Peter to come help them. Solve the puzzle. Starting with the first word, draw a line from each of the words to the picture of that garment. Put the letter in order from above the garment into the boxes below. Then see what God did.
