

Clean Hearts

The prophet Isaiah had strong words for the Israelites who brought sacrifices and came to worship. They performed rituals but their hearts were not in it. This Sunday we reflect on Isaiah chapter 1 and Philippians chapter 2. How might we prepare ourselves for spiritual depth in worship- worship that changes our hearts?

Grace Notes Week August 7

Everyone Invited!

In the upcoming months our Praise, Ministry and Stewardship Teams will shift a bit as some participants step away for a well-deserved rest. This healthy shift allows room for others to step in, bringing their ideas and energy forward. This adds vibrancy to each group. We invite you to join in!

Our church has three teams, including:

Praise - focused on worship and faith formation

Ministry - focused on outreach and mission events and service

Stewardship - focused on the building and finance of the church

The teams meet just once a month for about an hour. They review any issues or problems that have arisen in their areas of ministry, they address them and they plan and implement projects and events for the upcoming month. Sometimes snacks are included!

We enjoy having new people participate who can add insight and ideas, helping us consider fresh opportunities for worship, ministry and mission as well as helping us keep track of our building and finances. We need all kinds of gifts and talents.

Please prayerfully consider joining one of our teams for the upcoming year, (especially if you haven't yet served, or haven't been on a team in a long time). I'd be honored to talk and pray with you as you are in the process of decision-making or if you want to learn more. We do need you, your talents, and your energy as we faithfully serve together!
